

22 JUL 1947

The Honorable J. Frank Wilson  
U.S. House of Representatives  
House Office Building  
Washington, 25, D.C.

My dear Mr. Wilson:

I read with pleasure your insertion in the Congressional Record of 18 July 1947 of the article by George Fielding Eliot on the Central Intelligence Group.

I wish to take this opportunity to express to you my sincere appreciation of the continued interest in our agency which you have shown throughout this session of Congress. Your understanding of our problems, which was continually displayed during the hearings on the unification bill, contributed much to the drafting of a most excellent section on Central Intelligence.

I know that you are very rushed at the end of the session, but I am looking forward to seeing you when Congress reconvenes.

With kindest regards, I am

Sincerely yours,
